

Exhibition Sheep Fitting Contest

1. Team must consist of (2) two members with only one senior member per team.
2. One team member must wear a show harness or number clip with the team number exhibited. The team number will be provided at the time of the contest.
3. Contestants must provide the animal to fit in the contest. No animals brought in, they must be registered in the Fair. Animals provided must be clean and dry.
4. Contestants must bring all supplies needed to the contest. (Fitting stand, blowers, clippers, etc.)
5. Contestants may not use inappropriate fitting methods such as addition of any wool or woollike substance (including twine)
6. Time limit is 25 minutes.
7. Clippers may be used at the discretion of team members.
8. After fitting time, each lamb will be presented to the judge. The lamb will be held by one of the fitters.
9. Judges can ask questions to team members after time is up and during judging.
10. Teams will be placed on both fitting techniques during the contest, teamwork, sportsmanship, and results.
11. Adults and leaders may not help or touch the animals or assist members from the sidelines. Exhibitors need to highlight their skills. No coaching or advice from spectators.
12. Sign up through Fair Entry.
