THE RANCH CONSTRUCTION NEWSLETTER

JANUARY 2024

Happy New Year from the Updated MAC Equipment, Inc. Indoor Arena

The Ranch Events Complex hosts a variety of events throughout the year in the MAC Equipment, Inc. Indoor Arena. These events cater to a wide range of interests from dog shows to 4-H camps to more notable events like the Big Thunder Draft Horse Show, which took place last weekend. As a part of Phase 1 of the Master Plan, the Ranch team expanded the warm-up space inside the arena to benefit event attendees and allow space for additional exhibitors.

A horse sticking their tongue out during the Big Thunder Draft Horse Show, which was one of the first events to make use of the newly expanded warm-up arena in the Mac Equipment, Inc. Indoor Arena.

The warm-up space inside the MAC Arena was expanded to 90 feet by 200 feet, extending the covered space the entire length of the two pavilions. This upgrade more than doubled the warm-up space available to exhibitors at events. The extended space allows for larger class sizes and contributes to smoother event operations, reflecting the ongoing efforts to enhance the functionality of The Ranch facilities!

In addition to the warm-up space, the West Pavillion wash racks, restrooms and storefront were reconstructed on the north side of the pavilion in July 2023 to accommodate the expanded, covered warm-up arena, which returned to use in October 2023.

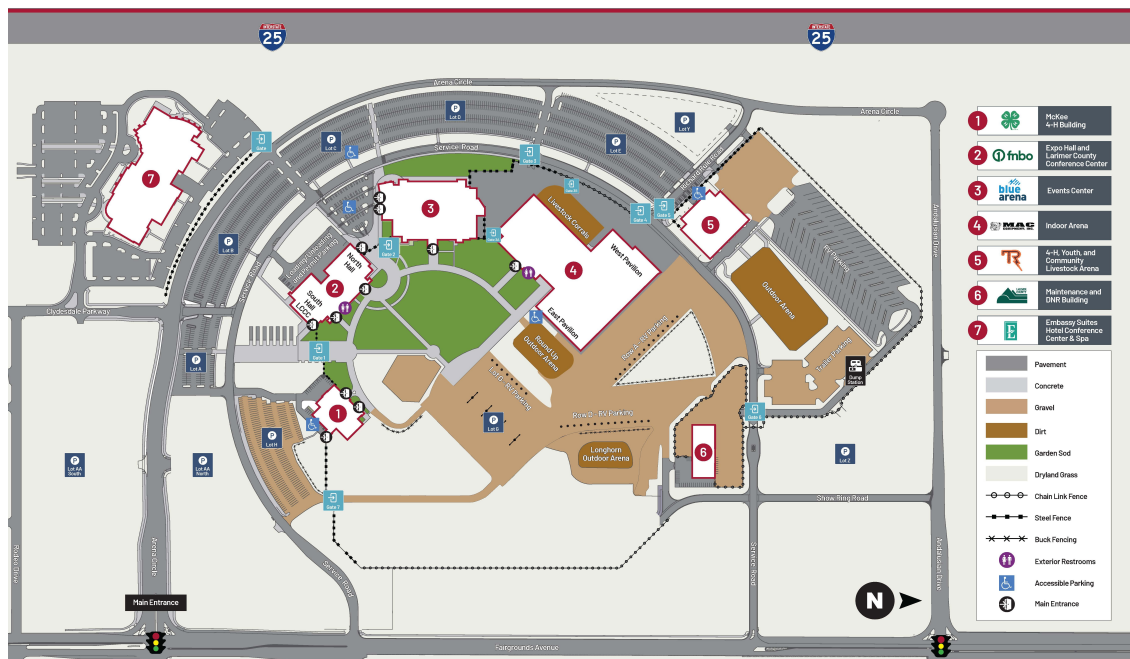

Aerial footage taken in January (left) and October 2023 (right) of the [MAC Equipment Inc. Indoor Arena](#), showing the expansion of the warm-up arena.

Construction Updates

Phase 1 for infrastructure and equine improvements of the voter-approved and community-driven Master Plan, is nearly complete! Crews are finishing interior work in the 4-H, Youth, and Community Arena and work on the RV camping locations and outdoor riding arena is approaching the final stages of construction. We are thrilled to finish Phase 1 and move forward into Phase 2 of the Master Plan, which will include construction of the Event Arena and Youth Hockey Training Center.
