Photography

Superintendent – Ardeth Carlson
Competition Coordinator – Laura Boldt

It Is Your Responsibility to Read All of the Photography Rules.

Key dates and times:

Check-in for Photography exhibits: Tuesday, July 30, 4:00 p.m. – 7:00 p.m.

Check-out for Photography exhibits: Wednesday, August 7, 4:00 p.m. to 7:00 p.m.

ENTRIES THAT DO NOT MEET THE SPECIFICATIONS BELOW WILL NOT BE CHECKED IN. Please don't assume you know what the rules are, even if you have participated in Larimer County Fair Open Class Photography in previous years! If you have questions, you can contact the Open Class Photography superintendent at 970-290-9550. If you have young photographers, this is an opportunity to show them the importance of understanding the rules for any competition.

1. Each exhibitor may participate in only one division and enter a **maximum of three** entries total in any class or combination of classes. Advanced photographers should enter the Advanced division even if more than 59 years of age.
2. **The exhibitor must choose which class or classes to enter when registering.** The class cannot be changed at the Photography Department check-in table; some photos might fit more than one class, but the entry at check-in should match the definition of the class on the exhibitor tag.
3. **Photographs must be mounted on a solid backing, i.e. foam core, styrene, or gatorboard.** Photos should not be printed or mounted on canvas, acrylic, glass, or metal. Backing should not exceed ½" thick and must be cut to the same size as the photograph. Photos can be printed and mounted by professional printer such as Lefthand Printworks in Berthoud.

You can also mount your printed photo yourself. The Monticello Camera Club has created an excellent YouTube video "Mounting Photos Is as Easy as Pancakes." Control/click on the link or copy and paste it in the browser search bar: <https://youtu.be/FcokEMDfw24>

Additional tips on DIY mounting:

- Use a spray adhesive that does NOT require you to spray both surfaces. It is much easier if you only have to spray the foam core.
 - Expect a lot of overspray from the spray adhesive. Spraying outside is best, but if you must spray inside be sure to do it in a well-ventilated room and cover your work surface to protect it from overspray.
 - Make sure your photo is nowhere near where you spray.
 - IMPORTANT: Use a new cutting blade for each photo that you trim. A snap-off blade utility knife is perfect for this task.
 - Protect your cutting surface with either a cutting mat or a couple layers of corrugated cardboard.
4. Maximum size is no larger than 11"x14" or 14"x14" square; an exception is allowed for panoramic photos with a maximum of 8" high and 18" wide. Minimum size is no smaller than 8"x10" or 8"x8" square. Any sizes in between, such as 9"x12" for example, are allowed. **Photos that do not meet the size maximum or minimum will not be accepted. Size restrictions also apply to the Children age division.**
 5. **Photos must not be matted or framed,** and do not attach any kind of hanger; hangers will be provided by the Photography department.
 6. The photo front should not contain any writing, including copyright symbol, name, title, or time or date stamp.
 7. Copyright infringement of any type will not be allowed. Photos should not include images of art, such as paintings or sculptures, unless the photo has other elements that are the main focus or tell a story. If in doubt, avoid entering such images.
 8. Superintendent has the right to reject subject matter of a sensitive nature. No photographs depicting violence or nude/seminude subjects will be accepted.
 9. Judging will be based on impact, composition, lighting, technical quality, and appropriateness for the category. Due to the volume of Photography Department entries, judging will not be done publicly; written comments by the judges will be provided to exhibitors.
 10. The judges reserve the right to move any submitted image to a different appropriate class during the judging process to balance the number of entries in a class.
 11. Ribbons awarded will be 1st place blue, 2nd place red, and 3rd place white for each of the 8 classes/6 divisions. Champion and Reserve Champion ribbons will be awarded for outstanding exhibits in the Youth, Upper Teen, Amateur, Senior Amateur, and Advanced divisions. Special awards will be given for Best of Show and Reserve Best of Show. Photos and ribbons must remain in place during the fair except by permission of the superintendent.
 11. Photographs must be picked up on Wednesday, August 7, between 4:00 and 7:00 p.m. Any photograph not picked up by then or otherwise arranged with the superintendent will become property of the Larimer County Fair. The computer entry tag stub will be needed to identify the entry and obtain the photographs and ribbons.
 12. Payment of Awards: Exhibitors may collect special awards. See Open Class Division General Rules and Regulations for schedule. Special awards not collected before noon Friday, August 9, will be forfeited. **No Exceptions.**
